

Dogs & Babies

Discovery Bay, as everyone actually calls it.

Why

DB has a group chat for everything, and the answer you need is always in a different one. This is one friendly place for the neighbourhood: the ferry, the beach, the dogs, the babies, and everyone in between.

Ask a neighbour, not the whole internet.

Bring it here

Lost & found

A dog off the lead, a toy left at the Plaza.

Playdates & parks

Who is at the beach, which playground has shade.

Ferry talk

Delays, the last boat, the bus queue.

Who do you call?

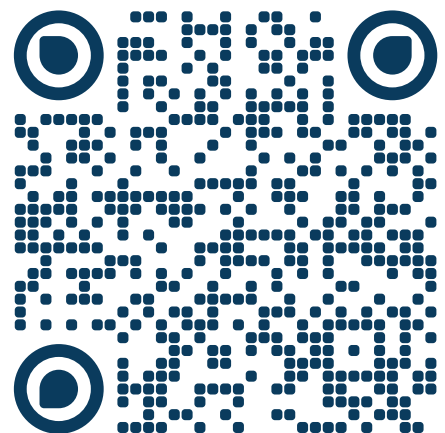

Vets, helpers, plumbers, the good dumpling place.

Give & take

Baby gear, dog crates, the kayak you never use.

Meet up

Coffee at the Plaza, a walk to Tai Pak.
